

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. Admiralty, 27th May, 1874.

**PROVISIONAL EXAMINATION OF MIDSHIPMEN,
NAVIGATING MIDSHIPMEN, CLERKS, AND
ASSISTANT ENGINEERS.**

My Lords Commissioners of the Admiralty have had under their consideration the inconvenience arising from the system now in force at the Home Ports, under which Midshipman can only be examined in Seamanship for the rank of Lieutenant on a fixed day in each week, whereby a loss of seniority may be incurred in the case of an Officer whose qualifying period of service expired on an intermediate date, and are pleased to direct that for the future the Clause in the Queen's Regulations (*Art. 12, p. 64*), which, in the case of an Officer serving abroad, permits, under certain circumstances, of his being provisionally examined, shall be considered as extending to Officers serving in ships at Home, the Captains of which are empowered, with the aid of other competent Officers, to examine provisionally any such Midshipman as shall make application on the completion of his qualifying period of Service, and to grant him a Certificate if successful.

My Lords are further pleased to direct that such extension shall also apply in the case of Malshijmen belonging to ships attached to squadrons at sea, whenever the exigencies of the Service shall render it inconvenient to examine them in the usual manner on the completion of their time.

In the event of a Midshipman snowed in passing the usual Examination on the next ordinary passing day at the Home Ports, or, in the case of Officers serving in squadrons, on the first opportunity that may be afforded him, his Certificate is to be antedated to the date of his provisional Examination.

This rule is also to apply to Navigating Midshipmen, Clerks, and Assistant Engineers.

By command of their Lordships,

ROBERT HALL.

REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED

IN COUNCIL, No. 11.—C.

1. Osborne House, Isle of Wight, the 4th day of August, 1873.

Present: Her Majesty in Council. This day read at the Board a Memorial from the Lords Commissioners of the Admiralty, of 1st of August, 1873, in the words

Her Majesty's Order in Council of 22nd August, 1870, relating to the promotion and retirement of Officers of Your Majesty's Fleet, clause six is as follows:—

From that rank to be entitled to rise by rank of Retired Rear-Admiral, if before and served the time to qualify them for

we of opinion that this condition may be proposed to Your Majesty that the clause be cancelled, and the following substituted:—

we been, or who may in future be, of rank under Your Majesty's Order in Council of 1st of August, 1873, to be entitled to rise by rank of Retired Rear-Admiral if they are years as Captain in command of a ship.

will, 4th August, 1873, cancelling this.] as five of section two of Your Majesty's Order is as follows:—

upheld whose seniority brings him in merit to the Active List of Flag Officers, completed six years' Sea Service as Captain in Harbour Service, but the first six years must be Sea Service in command of War at sea: Such Officers as arrive at promotion without having completed the six years to be retired.

1. section five, which defines 'Harbour Service' contains the following sub-clause:—

"(a) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, each first three years to reckon as Sea Service."

"And whereas we are of opinion that the above-recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunners, Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above-recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August, 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August, 1873.

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall in such cases as we may direct count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereof accordingly.

(Signed) EDWARD HARRISON.

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 5th February, 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

1. Navigating Sub-Lieutenants to be compulsorily retired at the age of forty or at any age if physically unfit for service.

2. Retired Pay to be granted as follows: after three years' seniority, 24. 6d. per diem, an additional 6d. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz., 36. per diem.

4. Service for Retired Pay to be calculated in accordance with the Provisions of Your Majesty's Order in

Council of 22nd February, 1870, relating to Officers, &c.; time, during which a Navigating Sub-Lieutenant may be on Half-Pay after he has served in that rank, to reckon in the proportion fixed by Order in Council.

5. Navigating Sub-Lieutenants to be allowed, on their own request and with our consent, to receive Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for the Act, 34 and 35 Vict., cap. 56.

6. The existing rules as to Half-Pay to be continued to Sub-Lieutenants while on the Active List to remain in force.

7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we would allow to apply the same to Navigating Sub-Lieutenant George Horwood, who has served for 41 months in Your Majesty's Navy, and who is now on Your Majesty's Coastguard Service, in attaining the age of 60, from the date of his charge.

We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have the concurrence of the Lords Commissioners of the Treasury."

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council,
of the 9th September, 1865, to establish the following Rules
touching the practice to be observed in Vice-Admiralty
Courts abroad in Proceedings instituted on behalf of Her
Majesty's Ships; and the Lords Commissioners of the
Admiralty desire to point out to Commanding Officers that
the Accountant-General of the Navy will not, after the
1st January, 1866, pay costs incurred in such Courts, Her
Majesty's Order in Council of the 22nd October, 1859, being
now repealed:—

1. Whenever any proceeding has been instituted in any
Vice-Admiralty Court within Her Majesty's dominions, by
or on behalf of any of Her Majesty's Ships, for or in respect
of any of the matters enumerated in the 12th Section of the
Naval Agency and Distribution Act, 1864, the Proctor who
shall have conducted such proceeding on behalf of Her
Majesty's Ship shall, on the termination of the suit, submit
his Bill of Costs for taxation, and the Court shall thereupon
tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been
realized and are remaining in Court, the Court may order
the amount at which the Bill of Costs has been taxed to be
paid thereout, and the balance of the proceeds, if any, shall
thereupon be paid to the Senior Commissariat Officer in the
colony, to the end that the same may forthwith be remitted
to this country.

3. If there are not any proceeds, or if the proceeds are
insufficient to pay the costs, the Commanding Officer shall
either by himself or through the Agent of the Ship make
provision for the payment of any sum that may be due in
respect of any such proceeding as may have been instituted
in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as
soon as he has taxed the Bill of Costs, and whether the
amount thereof has or has not been paid out of the proceeds,
forward the same to the Registrar of the High Court of
Admiralty of England, together with a Certificate, signed
by himself, stating the amount of the proceeds, if any, the
payments thereout, and the balance which has been paid to
the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and
bounties have been paid to the Naval Prize Account, leave
with the Registrar of the High Court of Admiralty of
England his account for taxation, and may include therein
any charges that may have been paid by the Commanding
Officer or by himself, and the Registrar may direct the
amount at which he shall have taxed the said account to be
paid out of the proceeds and bounties standing in the Naval
Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall,
within a month after the termination of each quarter, send
to the Registrar of the High Court of Admiralty of England
a Return, signed by himself, in the form marked No. 1
hereto, of all Prizes in respect of which any proceedings
have been taken in such Vice-Admiralty Court during that
quarter.

CIRCULAR No. 33.—L.M.M.

Admiralty, 9th May, 1872.

(SHIPS' AGENTS.)

(Naval Agency and Distribution Act, 1864.)

The Lords Commissioners of the Admiralty have observed that the provisions of the Naval Agency and Distribution Act, 1864 (27 and 28 Vict., cap. 24), relating to the appointment of Ships' Agents, have not in all cases been complied with; and they desire to call the attention of Naval Officers to this Act generally, and especially to Sections 4 and 5, which impose a duty on the Commanding Officers of Her Majesty's Ships.

2. Section 4 is as follows:—"Each of Her Majesty's Ships of War shall at all times while in Commission have, for the purposes of this Act, an Agent styled the Ship's Agent, to be appointed in the first instance as soon as may be after the Ship is put in Commission, and afterwards from time to time as a vacancy in the office or other occasion may require;"—and Section 5. "The Ship's Agent shall be appointed from time to time at pleasure by the Commanding Officer of the Ship for the time being, by an instrument signed and attested in the form given in the schedule to this Act."

The schedule contains the form of appointment of Ship's Agent.

to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Comm-dores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

Instead of the anchor on the epaulettes and shoulder

"Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loops
to be formed of two gold braids, twisted the same as for

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplain and Staff-Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the Discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1866," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The drills of the Royal Naval Artillery Volunteers will comprise the drills for Great Gun, Rifle, Pistol, and Cutlass, as in the Royal Navy, and no deviation from those drills is to be permitted.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

The Badge will consist of a chevron of silver lace worn on the right arm above the wrist.

Men who have been five times returned as efficient may wear one star, and those who have been returned ten times may wear two stars above the badge.

Volunteers who pass the examination for Trained Man, as in the Royal Navy, will be so designated, and will wear two chevrons of silver lace on the right arm above the wrist.

Every Volunteer must attend at least two drills a month until he has obtained the standard of an "Efficient."

The Uniform to be worn by the Royal Naval Artillery Volunteers is to be of the same pattern as for Officers of the corresponding ranks in the Royal Navy, with the following exceptions, viz. :—

Instead of each distinctive stripe of half-inch gold lace round the sleeve, there is to be a stripe formed of two waved lines of quarter-inch silver braid, running parallel to each other, so as to form bands three-quarters of an inch wide, the blue cloth to show quarter of an inch between the lines of braid.

The crown and anchor to be gilt, and the remainder of the button silver.

Crown and stars, when worn on the epaulettes, to be embroidered in gold.

Instead of the bullion loop on the cocked hat, the loop to be formed of two silver braids, waved as on the coat sleeves, and the tassels to be silver.

The badge for the cap to have the letters R. N. placed on one side of the anchor, and the letters A. V. on the other side.

The anchor and letters to be embroidered in gold, and the surrounding laurel leaves in silver. The crown to be embroidered in gold and silver, as in the Naval F.

or General Officer shall have the power of conferring the
Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not
have been performed in sight of a Commanding Officer as
aforesaid, then the claimant for the honour shall prove
the act to the satisfaction of the Captain or Officer com-
manding his ship, or to the Officer commanding the
regiment to which the claimant belongs, and such
Captain or such Commanding Officer shall report the
same through the usual channel to the Admiral or Com-
modore commanding the force employed on the service,
or to the Officer commanding the forces in the field, who
shall call for such description and attestation of the act
as he may think requisite, and his approval shall recom-
mend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for
the Cross, under rule seven, shall be publicly decorated
before the Naval or Military force or body to which he
belongs, and with which the act of bravery for which he
is to be rewarded shall have been performed, and his
name shall be recorded in a General Order, together with
the cause of his special distinction.

Tenthly. It is ordained that every person selected under

and his name shall likewise appear in a General Order as
above required, such General Order to be issued by the
Naval or Military Commander of the Forces employed on
the service.

Eleventhly. It is ordained that the General Orders above
referred to shall from time to time be transmitted to Our
Secretary of State for War, to be laid before Us, and shall
be by him registered.

Twelfthly. It is ordained that as cases may arise not
falling within the rules above specified, or in which a
claim, though well founded, may not have been estab-
lished on the spot, We will, on the joint submission of Our
Secretary of State for War and of Our Commander-in-
chief of Our Army, or on that of Our Lord High Admiral
or Lords Commissioners of the Admiralty in the case of
the Navy, confer the Decoration, but never without con-

which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant

other Officer commanding such forces, may deem that all
are equally brave and distinguished, and that no special
selection can be made by them; then, in such case, the
Admiral, General, or other Officer commanding, may

for every troop or company of Soldiers, one Officer shall
be selected by the Officers engaged for the Decoration,
and in like manner one Petty Officer or Non-Commis-
sioned Officer shall be selected by the Petty Officers and
Non-commissioned Officers engaged; and two Seamen or
Private Soldiers, or Marines, shall be selected by the
Seamen, or Private Soldiers, or Marines, engaged re-
spectively, for the Decoration; and the names of those
